“ My best memory of Yvonne is when we first met in person she was so sweet, comforting and lovable. She made you feel so important to her no matter who you were, and I love her so much and miss her so much more. Bay you are in my heart and will always be there. No one will ever take your place cause there is only one of you in my heart. You are my friend, my soul, my life and my love. I will miss you so so much.
