“ Me and my brothers grew up playing at the "farm". I always remember Aunt Zip smiling, with her sweet demeanor, taking care of every one coming in and out of the house day in and day out. I remember her teaching me to paint candy molds which I love to do to this day. I have missed seeing her over the years and recently sent her a letter to let her know I love her and think of her often. I will cherish the letter she sent back to me. God bless my sweet cousins.....Keeping you in prayer.
